DEDICATION

MRS. EMOGENE TOMPKINS

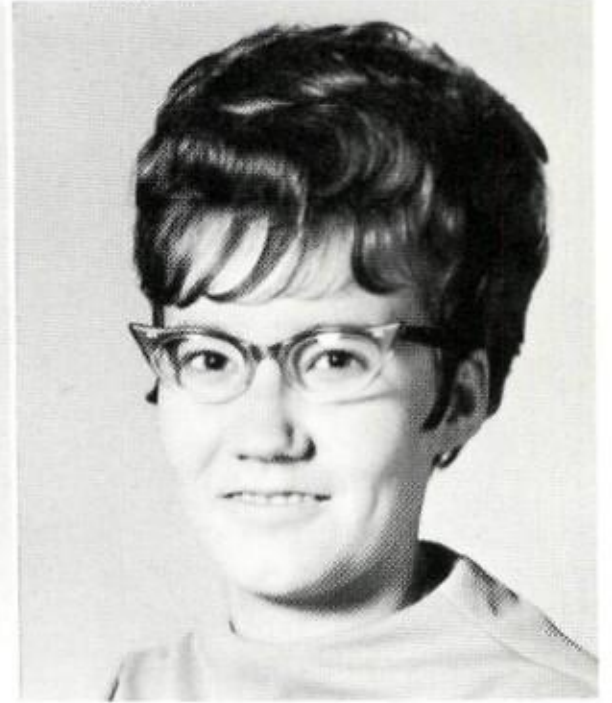

We, the students of Brownsboro High School, wish to show our appreciation to you, Mrs. Tompkins, for all you have done for us. You have not only spent hours patiently teaching us, but have contributed your spare time with the Pep Squad and other extracurricular activities. At this time with great pleasure we dedicate this 1969 Bear Tracks to you.

MR. GEORGE WATSON

The publication of this annual, which is the history of Brownsboro School for the year 1968-1969, will be cherished memories for all who have had a part in this production. This is a record of the many memories you will always remember throughout your life. It is the best evidence of the fine spirit, high ideals, and loyal support of the school that you may have to give others along the way through life.

I wish to commend the members of the student body, the faculty, and all of those who have worked so hard in making this a very successful year.

George W. Watson

HIGH SCHOOL PRINCIPAL

Good attitude toward work, play, authority, and one's fellowman develops a spirit and tradition on which a fine school can be founded.

The students of B.H.S. have demonstrated through their actions and attitude that they possess all these fine qualities.

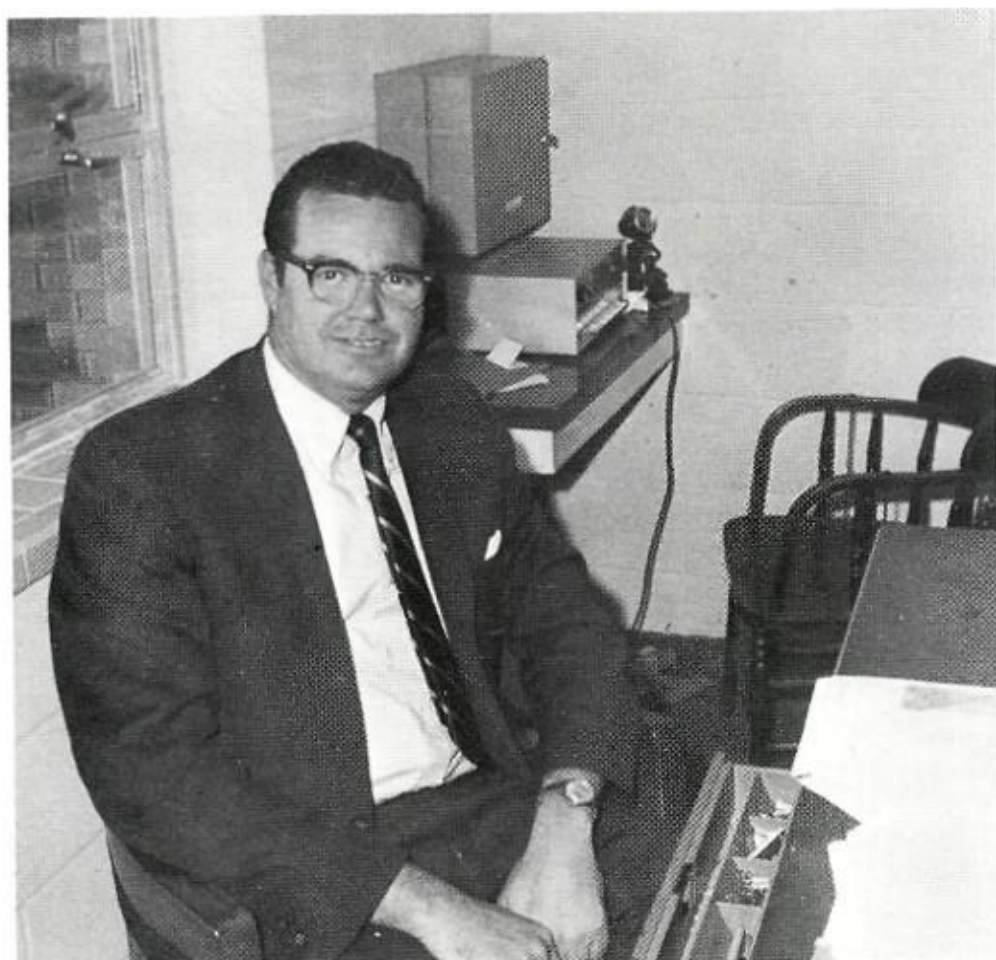

This is the kind of spirit and friendliness that has and will continue to make our school develop and live on through the year.

MR. JOHN SAUNDERS

OUR PRINCIPALS

MR. DARRELL PIERCE
